

2024 Legislative Conference

Learn about what's being done in preparation for the 2024 election & how you can help

In case you missed it on Saturday, January 20th tune into the [recording](#) on the LWVCO website. It's a lengthy recording but worth your time.

Matt Crane - Colorado County Clerks Association

Matt explains some of the various types of bad information floating around, what's changed to help secure our elections including new laws & training requirements, and how voters can help.

Neal McBurnett - LWV of Boulder County and Election Auditing Expert

Neal explains how Risk Limiting Audits are performed & ways we could improve our audits.

Linda Hutchinson - LWV of Larimer County

News literacy, misinformation & disinformation, media bias and more.

Karen Middleton - President, Cobalt Advocates

An update on the ballot measure effort to protect access to abortion in the Colorado Constitution.

Kyle Giddings - Colorado Criminal Justice Reform Coalition

SB24-072 Voting for Confined Eligible Electors, a bill to provide in-person voting & drop-boxes at county jails & detention centers.

State Senator Tony Exum - Housing Bills This Session

Over a dozen bills planned for this session including: not allowing occupancy limits, timely repairs/maintenance, property tax relief.

Anne McGihon & Eileen McCarron - Colorado Ceasefire

Discussing bills to be introduced this legislative session: Standardizing concealed carry training, prohibit firearms in certain places (parks, hospitals, banks, etc.), vehicle safe storage, assault weapons ban, and more.

Kathy Wilson, Maud Naroll & Andrea Wilkins - Legislative Action Committee

Overview of the legislative session including the revenue forecast, priorities of both parties & the governor and LAC stances of bills introduced so far.
